## A 10% discount for economic equity is available for those who meet eligibility criteria:

1. BIPOC Small Business Owner - with mindfulness that disparity in compensation continue to exist, we hope to increase awareness, and offer alternative systemic practice, in support of greater equity across our industry.
2. Seasonal/Ongoing Financial Hardship - examples may include unexpected legal/medical bills, occupational lay-offs, and/or recent start up business owner (1st 3 months).

Please talk with your consultant, if you believe you qualify for economic equity discount. Please note that proof of financial circumstance may be required in order to establish. All discounts will be re-evaluated every 3 months. Any and all agreed upon discounts, may not be less than the client's hourly fee structure.

\*Time rollovers assessed case by case, and only when consultant and client mutually agree in writing.
